To promote a positive school community which encourages students to embrace change and challenges while providing the opportunity for personal, social, emotional well-being and academic excellence.

School Vision 2016-2018

Our Purpose 2016-2018

We implement evidence-based practice in our teaching and learning.

We inspire students to strive for excellence in order to prepare them to be successful in the 21st century.

We provide a learning environment that is safe, positive and supportive.

We provide an inclusive and differentiated curriculum.

We initiate partnerships and provide opportunities to engage meaningfully with the community.

We commit to professional learning and the development of staff to build an expert teaching team.
