MONDAY, 5 MARCH  
Labour Day Public Holiday

FRIDAY, 30 MARCH  
Good Friday Public Holiday

MONDAY, 2 APRIL  
Easter Monday Public Holiday

TUESDAY, 3 APRIL  
Easter Tuesday Public Holiday

### P + C Annual General Meeting

A notice to all the school community that the Annual General Meeting of the P + C will be held on Monday 19<sup>th</sup> March commencing at 8:45am (straight after drop off). We are trialling the earlier time. Every member of the school community is invited to attend the meeting-this is not about appointing "jobs" for the year. It's about how the P + C can serve the school community.

### Class Meetings

Thank you to staff for organising their class meetings for this year and to parents for turning out to meet their child's 2018 teacher. This is a great method of reporting to parents.

### Scope IT

Students have commenced this program which is a roaring success. The school has invested in trained coaches to help build coding and other vital computing skills in students. This is a very expensive program which the school is bearing the bulk of the cost because of its importance.

### Community BBQ

The annual Community BBQ is on this Friday commencing at 5:30pm and concluding at 7pm. It is a time to

celebrate the wrapping up of Class Meetings, also a welcome to the Eddystone school community for all our families. It has always been a hit. There will be food, games and music all on tap along with a P + C Uniform and "foodie" stall.

### Extended Vacations

A reminder to parents that the Principal needs to be informed in advance of any planned extended vacations. This applies to any school absences due to vacation lasting longer than one (1) school week.

### Learners who are CREATIVE!

Demonstrate Innovation

Find other alternatives

Take risks

Share Ideas and collaborate

Use multi media to create

Use their Imagination

Think laterally and Investigate possibilities

### Sound like...

"How can I think about this a different way?"

"I'm going to try it this way."

"Let's imagine?"

"Why didn't this work?"

"How can I explore?"

"What do you think?"

"How can I represent this?"

"I wonder if."

"I think outside the box."

"I look deeper."
