THURSDAY, 5 APRIL
L3/R9 Assembly

FRIDAY, 13 APRIL
Anzac Assembly

Playground-Afterschool

Just to remind parents that if their children are playing on the playground equipment afterschool, that they are responsible for their safety and the safety of other children who might be in their care at the time. Any injury to a child would be the responsibility of the parent-this is an insurance technicality.

Also, for safety reasons, it is worth remembering that we endeavour to clear the grounds within 15 minutes of the final siren because more often than not, teachers are involved in meetings and playground noise can be a distraction.

School Council

The next meeting of the School Council is on Thursday, 29 March at 6:30pm. It is an open meeting which means all the members of our school community can attend. However, only those members of the School Council can participate in the meeting-discussion, voting etc.

Successful Assemblies/Social Media

We are experiencing a healthy rise in the number of people attending our assemblies. It is a timely reminder to guests to ensure that they manage their

social media platforms.

It is generally recognised that parents are able to photograph and/or record their own children but not other children. The posting of images on social media by one parent of children other than their own is not permitted by law-in a school setting. This is a safety issue as restrictions might apply to some students.

Let's Hear From You

From time to time (very rarely at Eddystone PS) a serious issue may arise that parents want to discuss with someone. The most appropriate person to discuss these issues is with the Principal. Make an appointment and come and see me. Generally, solutions are just around the corner.

Hockey @ EPS

A big thankyou to Sarah and Aimee the coaches from Whitfords Hockey Centre who came down and hosted a hockey clinic with R7 and R8 on Tuesday, 13 March.

Green Day

Don't forget to wear something green for St Patricks Day, Friday 16 March. Gold coin donation for Year 6 camp.

Eddystone Primary School is a Visible Learning School
