Email Addresses

In the Week 1 and the Special Edition Bulletin (Week 2) we called for families to provide their most current email address. This is because ALL student reports will be emailed at the end of semester — 21 June. **Only in extra ordinary circumstances, will we offer a printed form.** So it is vital that we have a complete set of email addresses. As of printing, we are still missing 24 email addresses. Please help us out.

Online Booking—3 way Conferences

As explained in the Special Edition Bulletin last week, bookings for your 3 Way Conferences with teachers will be done online for the first time. This is a very simple process to follow and to understand. All the information you need has been included with this Bulletin. Bookings open this evening, 18 May and will remain open until the end of Week 6, 8 June. I do advise that you don't leave it until the last moment to book as you may find your preferred sessions already booked.

3 Way Conferences will take on a slightly different form this year. Given that the

Student Report will not contain "comments" for English and Mathematics. These comments will be reserved for the 3 Way Conferences. For parents with children in the IEC, your 3 Way Conference times will be a little longer than those for Mainstream classes — this is to do with language interpretations.

Matilda Day—Lap-a-thon

The Sense of Community Team are organising a Community Lap-a-Thon to raise money for our Matilda Fund. Matilda Fund is a joint venture between school staff and the P and C. It is only in its second year but the funds raised provide essential and valuable support for families in the Eddystone school community.

Details will be forwarded home very soon but mark your calendars — Wednesday, 13 June.
