#### Parents and Citizens

At the recent AGM a new P and C Executive was elected. The 2018 Executive is:

Carly Ellery—President

Simmone Balde—Vice President

Leanne Taylor—Treasurer

Toni McLoughlin—Secretary

The school community congratulates them and wishes them a productive year.

#### Use of Social Media

A timely reminder about the appropriate use of social media—the most significant breach of social media use is “defamation”. The law describes defamation as; **“a statement likely to cause ordinary, reasonable people to think less of a person/organisation about whom the words or images are published.”**

The unfortunate side of social media is that it allows comments to be made in the heat of the moment that are then

made public. Social media is a big part of modern life—we all need to exercise caution when we are using it.

#### Playground-Afterschool

Thank you to our school community that are exercising safety at the end of the day. As previously stated, any student using playground equipment is the responsibility of the parent or adult in charge. Eddystone PS cannot be reasonably expected to shoulder the responsibility if a student is involved in an accident after the siren.

Also, the community has responded very positively to exiting the school grounds quickly after the final siren. Teachers most often are engaged in professional learning or meetings and the outside noise can be a distraction.

#### Happy Ester

On behalf of all the Eddystone PS staff, I offer our warmest wishes to our school community for the Easter period and remind families that Eddystone PS re-opens for the last part of Term 1 on Wednesday, 4 April.
