Welcome

On behalf of the Eddystone Community, I would like to welcome all our new families to the school. In particular we welcome families of children commencing this year in our Kindergarten classes. Clearly our numbers have increased which have resulted in running more than 1 class. This is a very healthy position for the school to be in. Naturally I welcome back for the new school year, all our families that have been with us last year.

New Staff

Joining our team this year is: Diane Campbell (Deputy Principal); Jemma Hartzer (Kindergarten/Pre primary); Andre Dumolard (French) and Alex Kitto-Lamberg (Head Cleaner -evening). We welcome our new staff members and wish them a productive and happy year at Eddystone PS.

IPS-Full Steam Ahead

Our registration is complete! After the false start last year, we have been given the go ahead to get moving. Much of my work this year will be devoted to meeting the expectations of the school community in securing IPS for Eddystone PS. Make no mistake; we are all going to play a role in this success so I am looking for your help and enthusiasm to tell our story.

Our Learning Dispositions

A reminder that in 2017, we have established 6 learning dispositions around which all our teaching and learning takes place. These are: creativity; resilience; perseverance; communication; risk taking and self-motivation. These are the attributes we seek from our school community in all the work we do.

Pre Kindy-1 + 2 Club

We are taking enrolments for our very successful Pre-Kindy program for 2018. This is the 1 + 2 Club that operates on Thursdays in the existing Kindergarten classroom. Pre Kindy classes offer children (and parents) an opportunity to become familiar with what school will be like and to make new friends. All 3 year olds are welcome to enrol. Please contact Reception for enrolment details or see our website.

Ambition

In her speech on accepting Australian of the Year, Michelle Simmons made comment that she has always lived and work by four pillars: Do what is hard; have high expectations; take risks and do something that matters. She articulated an ambition that we could all live and work by and certainly worth promoting in our school community.
