Email Update

Every family has now provided us with a current email address. THANK YOU. This means that when we communicate with you, no one is missing out and it means that there is no risk that parents will miss receiving their child's report at the end of semester. This is great news.

Online Booking

This is going very well. Parents have logged in and made their appointments to have 3 Way Conferences with the child's teacher. If you have not done that as yet then I urge you to do so quickly because spaces are running out. The online booking system remains open until Friday next week (Week 6). Please avoid disappointment by booking as soon as you can-see you emails for 18/05/18 for booking instructions.

IPS Update

The first IPS Development planning day has been held. There are two key messages-firstly, this has been a long process and while the community has told me loud and clear that we are ready, I am asking you to reaffirm your intent. I'll be asking at P and C meetings and at School Council and there is a short survey that you will be able to participate in. We are

ready; you just need to tell me so. The second message from the IPS Development program is that as we move forward to become an IPS school, we need to develop a clear picture of what Eddystone students should look like when they move onto secondary school. What skills, attributes, values, and beliefs should they have-what should it mean to be part of our community. I have some clear ideas about that and we have been working toward that and even if we miss out this round, I am still going to work really hard with my staff to create the type of school that we are all proud of.

Tell Us

If you have a good news story, why not tell us. Why not drop me an email with your good news if you would like to share it. There are good news stories but we need to take deliberate action to get them out there to our community.

Well Done You

Congratulations to the school community on yet another fabulous Year 6 Camp fundraiser.

Over \$600 raised in collecting 5 and 10 cent pieces! The support across the entire school has been fabulous. The 2018 Year 6 Camp is going to be a real winner.
