WEDNESDAY, 28 JUNE
3 Way Conferences - 12pm

FRIDAY, 30 JUNE
Last Day of Term 2

Early Close - 3 Way Conferences

Our annual and very successful 3 Way Conferences are scheduled for Wednesday, 28 June. Permission has been granted by our Regional Office to close normal school activity at 11:20am (lunchtime) and commence student conferences at 12pm.

A formal letter explaining how the conference will work and a "registration" form will be sent home in the near future.

Winter Uniforms

A reminder to all families that Eddystone PS has a lovely winter uniform which includes a school jacket, cargo pants, track pants and for girls, navy blue tights. All of these items are available for sale at the Uniform Shop which is open Wednesdays before school.

More Uniforms

A request to any family that may be leaving the school; if your child's uniform is in good condition, could the items of clothing be donated back so that we can on sell as pre-owned uniforms?

Pirates, Parents and Pizza Day

Tomorrow is our annual parent's picnic where we all dress up as pirates and have pizza together. It will be held on the school oval at 11:20am however, if anyone is available to come in for 11am and help distribute pizzas, this would be greatly appreciated. The weather is looking great and we will have our Friday morning coffee van onsite as well! We are hoping to see as many parents and pirates as possible.

Mr Bewick

As announced at assembly and through text message, Glen has won the position as substantive Principal at Bindoon PS commencing in Term 3. Glen has served Eddystone Primary School with distinction over a long period. On behalf of the school community, I congratulate him and wish him all the best for his well-deserved appointment. At the time of going to press, Glen's replacement is not known. More information will follow in the next Bulletin.

Always take care

A timely reminder to students who walk or ride to and from school to take care. You share the roads and walkways with the public. If you view suspicious behaviour, please tell your parents or teachers.

From time to time, we receive information that people have acted suspiciously and we have been able to report them to authorities.

Pairs or small groups is a safe way to travel.

Oral Hygiene Products Recycling

Eddystone Primary School is commencing a new recycling initiative. Did you know you can recycle old toothbrushes? You can! If you have any old oral hygiene products such as toothbrushes, toothpaste tubes or their packaging, please drop them into the box outside of Kindy. The school even collects a small payment for what we donate and this money will be put to a good cause.
