WEDNESDAY, 28 JUNE
3 Way Conferences - 12pm

FRIDAY, 30 JUNE
Last Day of Term 2

Assembly

Congratulations to the students of L3 and Mrs Kandola for their assembly item on 18 May. It is absolutely superb to see how well our IEC students are doing and what tremendous progress they are making.

Interschool Sport

Congratulations to all our teams and their coaches. The annual Lightning Carnival will be held on 23 June.

Being Safe

Once again, we have been reminded of potential dangers in social media. Parents, can I strongly recommend that if your children (or you) are using any form of social media that you be very diligent with your safety settings. We need to protect our families.

Granny Spiers

Eddystone PS is holding its annual drive on behalf of local organisation, Granny Spiers, so that families in need can be offered some support packs to help through the winter months. We are collecting **new** pyjamas, toothbrushes, toothpaste and story books. I urge our school community to support those in need through donations to Granny Spiers. We have information posters located around the school with more information. Eddystone PS is collecting on their behalf.

Visible Learning

Our school community places emphasis

on key dispositions that illustrate our effectiveness as a place of learning. Eddystone learners are resilient, they are good communicators and self-motivated, they persevere and take risks and most of all, they are creative. Your children will be talking about these dispositions. We have posters in each teaching area with further information for parents. **You'll also find information on our website.**

Closing Times

From Monday, 29 May (Week 6), Kindy and Pre Primary will be finishing at the same time as the rest of the school. This is about ensuring safety for every child and also that we comply with modern standards.

Pirates, Parents and Pizza Day

This is the annual parent's picnic where we all dress up as pirates and enjoy pizza together. The day is being held on **Friday** 9 June in the school grounds. Please ensure you have returned your form and payment. Hopefully the weather will hold out for us. We are hoping to see as many parents and pirates as possible.

Student Reports

We have the option this year to send student reports home via email. To ensure this happens smoothly, all family email addresses need to be accurate.

If you are yet to provide us with a current email address, please contact our Reception with your information.

Gary Bryant - Principal

Eddystone Primary School is a Visible Learning School
