A warm welcome is extended to our school community for the beginning of Semester 2. The year is quickly passing by, but we look forward to many more exciting learning experiences planned for the students as well as parents this term. With student reports distributed and parent interviews conducted at the end of last term I am looking forward to seeing students consolidate on their achievements and in some instances improvements made.

Staff Changes for Semester 2
We congratulate Mr Robert Croft who will be Acting Deputy Principal for Semester 2. Mr Lucian Watkins will replace Mr Croft as Music Teacher. We welcome Mr Watkins who comes to us highly acclaimed for his musical background and experiences. Mrs Meredith Pronk has been appointed to replace Mrs Sylvia Rappa who happily retired. Mrs Pronk will teach French. We welcome and congratulate them on their appointments.

Attendance Data
I am pleased to acknowledge the significant improvements in student attendance in our Semester 1 attendance data. From analysing the table below the school community can be proud of the increase in regular attendance of students. We have made attendance a priority at school and we are very pleased with the results thus far. Remember, missing school isn’t cool! Every day counts and I encourage parents to continue to make this a priority.

School Development Day
A reminder for parents that students do not attend on Friday August 5, as we will be having a School Development Day where our teachers will be receiving professional development in the area of Humanities and Social Sciences with a focus on Geography. HASS will be fully implemented in 2017 as per WA Curriculum requirements. We are looking forward to this important professional development.

Year 6 Camp
From Monday August 8 to Friday August 12 our Year 6 students will be attending the Pemberton Camp School. I know they are all very excited and looking forward to the camp which has a focus on the beautiful environment of the south west and team work and cooperative challenges. I remind parents of year 6 students to ensure permission, medical forms and money is paid by Friday, July 29. Have fun Year 6 students!

Have a great week everyone

Dear Parents

We are happy to announce that the commonwealth bank is running an exciting School Banking competition during Term 3.

Students who demonstrate regular savings behaviour will have the chance to win one of hundreds of prizes, including camping kits, instant cameras, playstation4 pack, 200 Magazine packs and more.

Plus, by encouraging students to save regularly could put our school in the running to win one of amazing school prize packs.

To find out more come and visit us in the library on Thursdays from 8:15 - 9:00 am or visit simply commbank.com.au/prizelights.

As part of National Science Week on Wednesday 17th August at 3pm Airscope will be presenting a FREE community drone demonstration for all children, parents and friends of Eddystone Primary. Come on down to the oval to see a drone pilot fly drones and talk about the use of drones in the commercial world and the future. See you there!

Thank You - Uniform Coordinator
During Term 2, the Eddystone soccer team participated in the Oceanside Schools Lightning Carnival. In the run up to the big day, the boys and girls played one of the 4 other local teams each week, winning all their games. On the big day itself, Eddystone played 4 games in row, winning 3 and drawing 1, making them the overall champions for 2016! Well done!!

Eddystone Primary School concluded NAIDOC Week celebrations with an incursion from Philip 'The Wild Man' Green. Philip entertained students with his fascinating stories and slideshows of his adventures through the Australian outback and in Aboriginal communities. There was over 200 Indigenous artefacts to see and students were allowed to explore, touch and play with all of them!! A great way to end Term 2.
