N15 Assembly

Friday, 10 May
Mother's Day Raffle

Thank you to Mr Deere for giving up his time to attend our Anzac ceremony

EASTER

Many thanks to our busy parents from the P&C Association who have been organising all of the donations for the famous Eddystone Easter Raffles over the last few weeks! Thank you to all the families who have donated Easter goodies of all kinds. The hampers are fantastic. The children who win will be very excited.

SCHOOL BOARD NOMINATIONS

Positions are available if you wish to be a member of the School Council.

Members of the School Council represent the school community and support the school in achieving the priorities of the business plan and the best outcomes for the students. One of our important aims is to develop successful students with high quality teaching.

It should be noted that a requirement of nominating for the School Council is being available to attend meetings at least five times a year – usually from 6pm to 7pm. These meetings are spread out over the year.

If you wish to nominate for a position, please contact Mr Kanganas as soon as possible. You can email me at Alec.Kanganas@education.wa.edu.au

Should there be more nominations than positions available, then a vote will go to the school community.

BUSINESS PLAN

The new Business Plan is available for you to read. Our Vision is "To promote a positive school community which encourages students to embrace change and challenges while providing the opportunity for personal, social and emotional well-being and academic excellence."

Our priority areas are:

- Success for all students
- High quality teaching
- Effective leadership
- Strong governance and support
- Positive learning environment.

You will be able to access our Business Plan by looking at our website.

NEWS FROM OUR CHAPLAIN

I am excited to share a wonderful opportunity for you to share for free. Beginning on Tuesday, 7 May, Term 2 we are inviting you to participate in cooking classes with a Foodbank Nutritionist educating us on the value of good nutrition. We will then share the meal together. This program will run for 4 weeks. If you are interested, please contact the school office by Friday, 3 May.

MAKING APPOINTMENTS WITH TEACHERS

All parents and visitors during school hours must report to the front office. Please try not to visit classrooms unannounced during the school day. The Teacher may be teaching a whole class and cannot be interrupted. This is a duty of care issue. However, you can make an appointment to speak with the Teacher at a time convenient with everyone. We encourage parents to speak with teachers.

PUPIL FREE DAY – MONDAY, 29 APRIL

I would like to inform everyone that the school holidays will start from Monday, 15 April and end on Monday, 29 April. Students are to start school again on Tuesday, 30 April.

Monday, 29 April is a pupil free School Development Day. The staff at Eddystone PS are expected to attend school development meetings on this day.
