Monday 3 June
WA Day Public Holiday

Thursday, 6 June
R5 and R6 Assembly

**Our Motto Is
"Achieving"**

All students achieve to the best of their ability

WELCOME

I hope and trust that the first couple of weeks have seen a smooth transition back into the routines of school. From a school perspective the students have settled extremely well into their classroom routines and the holidays are a distant memory.

NAPLAN

NAPLAN testing commenced this week for our Year 3 and 5 students. We are participating in online testing with our students using laptop devices. Unfortunately, like many schools nationally, we have experienced network disruptions at Eddystone Primary School. To the credit of both students and staff they have displayed great resilience in coping with change. A very necessary skill when living and working in the 21st century! Student results for these assessments come out later in the year with parents receiving a NAPLAN report. If your child is sick on one of the testing days, where possible we will give catch up tests. Eddystone is very fortunate to have such a dedicated and professional staff championing the cause of educational outcomes for the Eddystone school community.

EDDYSTONE P&C COMMITTEE

A vote of appreciation to the P&C for their efforts so far this term with the Mother's Day Raffle. A big thank you to all of our parents/carers for supporting this event. Our next P&C meeting is on Monday 17 June at 8.40am in the Library near the Admin building. We would like to see you there if you can afford the time and we would love to welcome any new families interested in attending.

FREE DRESS DAY

Please bring a gold coin donation for our free dress day, all proceeds go to our year 6 camp fundraiser.

SENIOR SCHOOL CAMP

ERN HALLIDAY

Thank you to all the parents who recently attended the meeting on Wednesday night to discuss the senior school camp to Ern Halliday Camp site early next term. It was a pleasure meeting up with so many parents of our senior students. Ern Halliday Camp is considered a sanctuary in the suburbs, where students can participate in unique and exciting outdoor recreation activities within the Perth metropolitan area. More information will be sent out to parents of senior students shortly.

NEW FAMILIES

Recently, we have had a few new enrolments in the Intensive English Centre to start the term and I would like to extend a warm welcome to all of our new families.

SCHOOL COUNCIL NOMINATIONS

At present I am seeking expressions of interest for parents / caregivers who would like to become members of the School Council. Members of the School Council provide a vital role in furthering the educational outcomes of the Eddystone school community.

As a member of the School Council you would be required to attend a least 4 to 5 meetings a year with training provided. These meetings are spread over the course of year and are usually from 6pm to 7pm.

If you are interested in nominating for the School Council please contact the Principal, Mr Stephen Boon as soon as possible! Should there be more nomination than positions available, then a vote will go to the school community.

STUDENTS LEAVING THE SCHOOL

Please remember to always sign out your children at the front office if you are picking them up during school hours. It is our duty of care to know the whereabouts of your children in case of an emergency.
