Monday, 11 March
P & C AGM

Thursday, 14 March
N14 Assembly

**Our Motto Is
"Achieving"**
**All students achieve to
the best of their ability**

Parent Teacher Meetings

Thank you to all those parents and some grandparents, who attended the class meetings presented by teachers last week. There was a lot of information to take on board, but we appreciate your time. Having information about classroom routines and school policies will enable you to support these with your children. When parents and schools are working together, it assists a child's learning and development as well as supporting routines that are part of the school day.

Community BBQ

The community BBQ after the Parent Meetings was a great success. We had a record number of parents attend and made for a great community spirit. I would like to thank all the staff members who assisted on the day. It was greatly appreciated.

P&C Association

The P&C Association currently consists of five committee members. They meet twice a term (usually on a Monday morning) and the very friendly group encourages new people to join.

The P&C Association welcome new ideas with fresh approaches. The AGM is on Monday, 11 March at 8:45am in the library. During the AGM everyone can be voted to be part of the committee. The P&C need at least 10 people to vote.

Joining the P&C Association is one of the best ways to show your children how much you value their education and how interested you are in what they do. They are the voice of the parents.

A lot can, and has been achieved, through the P&C and school working together towards common goals. To continue this work, the P&C need people with a range of talents who are committed to improving outcomes for our children and school. The more people involved, the more exciting and successful it will be.

The functions of the P&C are:

- Organising and planning fundraising events.
- Deciding where fundraising money should be spent.
- To encourage closer co-operation between parents and students attending the school.
- To work with the Principal and teachers on school directions.

Please come along to the AGM on Monday, 11 March in the library.

School Development Day – Friday, 1 March

There is a pupil free - school development day on Friday. This is the same weekend as the Labour day public holiday on Monday 4th March. Staff will be at meetings and will participate in a conference with other schools who are part of the Joondalup Learning Community.

Before School Routine

Thank you to those students and families who are assisting with our morning routines.

A reminder to everyone that all students who arrive at school prior to 8:25am are required to go straight to the Quadrangle – in front of the Undercover Area. This also includes children who come with their parents prior to 8:25am.

Reading

A big thanks to all the parents who help children do their reading at home. Taking a reading book at home really helps children to read more fluently and this helps with comprehension. Our home reading program is a great success and we encourage all children to read books at home.
